Home Pride Floor & Marble Cleaner

How to Use

Always test on a small area for the suitability of this cleaner on different background surface.

For normal cleaning dilute with 100 ml HP Floor & Marble cleaner in 5-Liter water . then mop the surface Using stiff bristled brush or a scouring pad, toughly scrub the area treated with the marble cleaner gently to get clean & shiny surface .Dilution may be increase or decrease as per nature of stone /substrate.

To remove stain, wax, oil, grease & cement stains use undiluted marble cleaner. Pour it on the effected surface & leave for five minutes. Finally mop it properly to get best results.
