Technical Data Sheet Home Pride Mastic

Product Description:

Home Pride Mastic is a solvent free; Two component polyester based putty glue. It is widely used for filling small cracks and joints. It is quicker grip .Mastic is polyester based glue make up from the mix of resin and nano fillers. It is specially used for joint filling of all type of marble, granite.

The product has following properties:-

- ✓ It is a surface tolerant.
- ✓ High solid product specially designed for area where optimum surface preparation is not possible.
- ✓ It can be used as a primer, mid coat, finish coat or as single coat system in atmospheric environment.
- ✓ Easily pigmented, high strength after curing, durable, good glossy property, excellent adhesion.

Application areas

It is used for consolidation and grouting, joint filling of natural stone, hairline filling and repairing of stone defect.

Application

- ✓ Ensure that the marble treated is Clean, dry, dust free and slightly roughen surface to be bonded.
- ✓ Mix component A & add 3 % Component B by Volume or Weight and mix both component till homogeneous shade of color is achieved.
- ✓ Colouring paste can be added up to 5% maximum an excess of colour may influence the finish of the glue.
- ✓ Never repack unused glue in container.
- ✓ Pot life of mixture is approx 20-25 minutes at 20 °C, use mixture within 20 minutes.
- ✓ Residue moisture content of the stone substrate should not exceed 5%.

Colour

Green, red, yellow, gray, off white, black.

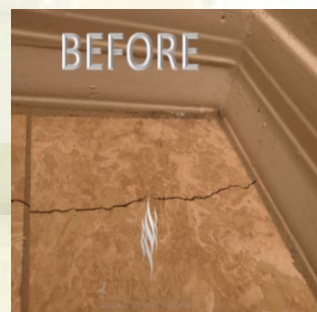

Packaging

1 kg, 5 kg, 10 kg and 20 kg.

Technical Specification

Physical State	Component A	Paste
	Component B	Liquid
Colour		Grey, green ,off-white ,red,black
Mixing ratio	Glue /Hardener	100 : 3
Pot Life	Standard grade	90 Minutes
Working time of mixture	30°C	20 – 25 min
Mechanical property	Tensile Adhesive strength	30- 51 N/mm ²
Coverage	Per kg	150-250 Sq.ft (Depending on use & how to uses)

TDS Home Pride Mastic

Storage Information

Store in cool & dry (5-24 °C) place in its original closed container shelf life up to 24 month (2 Year). Kept away from a source of sun light.

Precaution
