Epoxy Grout

Epoxy Grout is a specially formulated to give high strength, stain free & chemical resistant grout. For use with ceramic tiles, vitrified tiles, marbles & stones.

- Features :**
- Home Pride Epoxy Grout is a chemical resistant grout for heavy duty applications.
 - Recommended for areas where hygiene is of utmost importance.
 - Internal, external, wall & floor applications.
 - Wet Areas : Swimming Pools & Bathrooms.
 - Chemical Industries : Laboratories, Production Storage Workshops, Food Industries, Breweries, Commercial Kitchens & Dairies.
 - Hospitals : Operation Theatres & Clinics.
 - Others : Garages, Battery Rooms, Public Toilets, Waste Treatment Plants, Podium, Parking Areas & High Traffic Areas.

Mixing :
Resin, Hardener & Filler mixed together until a slump free and smooth grout is obtained.

Pack Size

	1kg	5kg
(a) Resin	200 gm	1kg
(b) Hardener	100 gm	0.5 kg
(c) Filler	700 gm	3.5 kg

Coverage
Approximate sq. ft. coverage per 1 kg. pack.
